TECHNOLOGY FOUNDATION INC.

Announces 2025 Scholarship Application Schedule For High School Seniors

Recognizing talent and achievement in the STEM field this scholarship is for seniors planning on attending a 4-year accredited Virginia college or university to pursue a degree focused on technology.

We will be accepting 2025 scholarship applications between February 17, 2025, and March 31, 2025. The scholarship will be awarded by June 16, 2025.

The first-year amount will be \$1,500 and will increase each year of the remaining 3 years if the student maintains their qualifications and reapplies.

Applying students should work with their STEM school advisor to prepare and submit the application materials along with a copy of pending college acceptance letter. Please visit our website for the list of materials for evaluation. Attached is a PDF that will assist in submitting the application package.
